

Bill Braham Memorial Essay Writing Competition

The annual **Bill Braham Memorial Essay Writing Competition** is run by the **Pike and Shot Society** in conjunction with **Helion and Company**, the prominent military history publishing company and sponsors of the competition.

The Pike and Shot Society is an international organisation promoting the study of the military history of the Renaissance and Early Modern world. For The Pike and Shot Society this period covers the years between 1400 and 1721, a time-span that covers approximately from the introduction of early firearms to the abandonment of the pike as a front-line battlefield weapon - the time of pike and shot. The Society is run entirely by, and for the benefit of, its members.

The society's coverage includes the Wars of the Roses, the Italian Wars, the Wars of Religion, the Thirty Years War, the English Civil War and the War of the Spanish Succession. Outside Europe the Spanish conquest of the Americas, the Samurai of Japan and the armies of the Persians and Moghul Indians all come within the Society's ambit, as do naval clashes such as the Spanish Armada, the Anglo-Dutch Wars and the Mediterranean conflicts between the Christians and the Ottomans.

As sponsors, Helion and Company will be providing a first prize of £100.00 worth of Helion Publications and the P&SS will provide a one year subscription to the Society. Second prize will be a one year subscription to the P&SS.
